

Fellowship Programme in Bariatric Anaesthesia

The global pandemic in morbid obesity has led to provision of bariatric services in established institutions in several countries worldwide. The Institute of Minimal Access, Metabolic and Bariatric Surgery at Max Healthcare, Saket provides opportunities to interested and experienced anaesthesiologists to enrol for a fellowship programme in Bariatric Anaesthesia. We aim to teach the basic principles of Bariatric Anaesthesia and setting up of Bariatric unit. The didactic sessions give extensive information on indications, choice of anaesthetic techniques, current options, airway management, perioperative management and complications. Fellows will initially observe and then assist in conduction of anaesthesia. The fellowship is a full time appointment and fellows are expected to integrate into academic activities and output of the Institute.

The Fellowship programme duration is 1 month and the post is stipendiary

Interested candidates may kindly apply with a detailed CV to:
