

MIMAMBS approved as an International Centre of Excellence for Bariatric Surgery

Dear colleagues,

Please join me in congratulating Max Institute of Minimal Access, Metabolic and Bariatric Surgery (MIMAMBS), one of the leading super - speciality institutes at MHC for being approved as an 'International Centre of Excellence for Bariatric Surgery' by the Surgical Review Corporation (SRC), USA. SRC is a leading administrator of centre of excellence programmes for surgical specialties. The organization manages programmes on behalf of top medical societies around the world, setting a global standard for excellence.

With this, MHC becomes the first healthcare provider to receive Bariatric Accreditation in India and reaffirms its commitment in setting standards of excellence in all facets of patient care.

MIMAMBS is the first of its kind in the subcontinent and is internationally recognized as centre of excellence in endosurgery.

MIMAMBS is headed by Dr. Pradeep Chowbey, who featured in the Limca Book of Records in consecutive editions from 2000 - 2010, for having performed over 50000 laparoscopic surgeries. The Institute comprises of surgeons specially trained in minimal access techniques that help patients reap the benefits of faster recovery, lesser post-operative pain and minimal post-surgical complications with excellent cosmetic results.

This is an outstanding achievement by Dr Pradeep Chowbey and his team of doctors. MHC has set another benchmark for all at Max India Group to look up to and also to continuously strive for world-class standards in Service Excellence.

Thank you

Analjit Singh
